Audiology Consultants, PC is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. **See course information for number of ASHA CEUs, instructional level and content area.** ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.

The **How Knowledge of Cognition May Help the Design and Delivery of Hearing Aids** course is offered for **0.80 CEUs (Intermediate level, Professional area)**.

Program completion requirements: Participants are expected to be present for the entire program. Individuals who are not present for the full program will not receive a certificate of attendance. **No partial credit will be provided.**

An annual ASHA CE Registry fee is required to register ASHA CEUs. The participant pays ASHA CE Registry fees directly to the ASHA National Office. The annual CE Registry fee allows registration of an unlimited number of ASHA CEUs for the calendar year. Contact the ASHA CE Staff at 800-498-2071 for more information.

Audiology Consultants, P.C.
